

## 6<sup>th</sup> Grade Time Capsule Project

### *Family Letter Assignment*

Thank you for participating in your child's time capsule project. It is my expectation that each student will build a time capsule that will give them something fun and interesting to open in a couple of years, and your participation will certainly make that happen. Each student will have their time capsule returned during the last week of their 8<sup>th</sup> grade year.

The Family Letter Assignment is actually a *homework* assignment for you! Yikes! Hopefully you won't consider it boring or meaningless because it gives you an opportunity to tell your child/niece/nephew/etc. how important he/she is to you.

All you have to do is write a letter or extended message about how you feel about him/her. Please be specific about what he/she means to you, what you like most about him/her, what you think his/her strengths are, what you think he/she will be like at the end of his/her 8<sup>th</sup> grade year. Please feel free to add anything to the letter/message that you would like.

- **When you finish the letter please put it in a sealed envelope with their name on the front.**
  - **You can send it to school with them to place in their time capsule... or ...**
  - **You can email me the letter, I can print it off, seal it in an envelope, and place it in the time capsule ([briano@brittan.k12.ca.us](mailto:briano@brittan.k12.ca.us)) .... Or...**
  - **You can drop it by the office. Make sure it is in a sealed envelope and let the office know to place it in my box.**
- 
- **It is strongly encouraged for more than one family member to participate by writing a letter.**

It is always enjoyable to hear how important you are to someone. Thank you again for helping with this project.

**The letters need to be written and turned in by Friday, May 28th.**
